

Threat to Life identified for person(s) under 18 years of age

Referral to Children's Services within one working day

Strategy Meeting

Section 47 Enquiry

Due to the complexity of TTL risk factors, more than one outcome maybe considered

Risk not substantiated No further Action (Needs manager sign off)

Significant Harm concerns not substantiated but other support required - (sign post)

Immediate action to safeguard child required (PPO/EPO)

Referral for Initial Child Protection Conference

Child removed from home address due to risk of harm (PPO/EPO/Sec 20) Before being placed in Local Authority Care the potential risk to other children must be considered

Parent/Carer moved with child to place of safety Risk to siblings and other children in the address must be considered

Implement measures for the child to stay in the home address safely Target Hardening Measures (Home link alarm/Urgent marker)
