Home Sweet Home

Support to help Haringey residents aged over 60 to stay in their own homes.

Need a helping hand?

By helping you choose the right support at the right time, our **Home Sweet Home** service can help you remain independent and stay in your own home.

FREE support service!

Home Sweet Home is funded by Haringey Council, so you don't have to pay a penny.

How does the service work?

We want you to feel safe, secure and confident in your own home, so we tailor our service to your needs.

Our fully trained care and support workers will work with you to identify what support is right for you, such as:

- helping you settle back at home after a stay in hospital
- accessing the right aids and adaptations
- helping you to maximise your income
- help to prevent you from losing your home
- supporting you to access other services
- ...and much more

Who do we work with?

We work closely with many other agencies to make sure you can access all the support and advice you need.

This includes: GPs, hospitals, social services, home improvement agencies, community mental health teams, dementia services, drug and alcohol services, advocacy and cultural groups.

Who can apply for the service?

You can apply for the service if you are over 60, living in Haringey and are a home owner, leaseholder or living in private rented or shared ownership accommodation.
