# Our. VISION

# Children, young people and their families are safe, healthy and achieve their full potential.

Lancashire Children, Young People and Families Partnership Vision

#### **Five Outcomes**

- Vulnerable children and young people are safe from harm and build resilience.
- Children and young people achieve their full potential in education, learning and future employment.
- Children and young people enjoy heathy lifestyles and know how to help others.
- Children, young people and families have a voice in shaping the support they receive.
- Children and young people live in Lancashire where they can enjoy a good quality of life, be happy and want to stay.

### Five partnership priorities

- Improve the environment in which children and young people live, learn and work.
- Support children, young people and their parents to make healthy lifestyle choices and to build strong families, friendships and healthy relationships.
- Provide children and young people with a good quality education and learning opportunity which matches their talents, ambitions and aims and enables a positive transition to adulthood.
- Prevent the need for children to become looked after, and with compassion, step in when necessary to keep children and young people safe from harm.
- Support children and young people to influence decision making and bring about positive change for themselves and others.

### Five partnership ways of working

 We will focus on the children, young people and families who need our support.

- We will focus on strategic priorities which raise aspirations and enable people to work locally to build on the strengths of people and their communities.
- · We will build on what works well.
- · We will collaborate and share information.
- We will provide critical challenge to improve practice and outcomes.

## Five partnership measures of impact against our greatest challenges.

- Improve the healthy life expectancy for children and young people.
- Increase the number of children who achieve a good level of development at the end of the reception year.
- Increase the number of 16-17 year olds in education, employment or training.
- Show clear evidence of improved outcomes as a result of family participation.
- Ensure the right number of children are in the care of the Council.
