

Vision and Priorities

We are committed to making Hammersmith and Fulham a place where every child has the best possible start in life, grows up feeling cherished, loved and realises their full potential as young citizens. We will provide the right support at the right time to enable our families and communities to ensure all children are safe, healthy and thrive. We will nurture relationships that are respectful, collaborative and empowering. Our highly skilled teams will work in partnership to ensure services remain efficient, responsive and support the building of resilience and prosperity for all children and young people

Achieving the best outcomes possible for the children, young people and families that we work with, remains central to our ethos as a council, believing in a fairer future for all, especially those most vulnerable and disadvantaged children and families.
