- Cheque
- Postal order
- Credit card<sup>1</sup> Visa (including Electron),

#### **COMPLETING THE PAYMENT DETAILS PAGE**

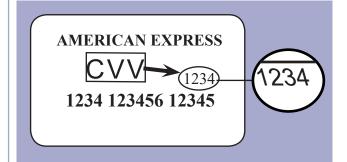

To ensure that your payment is processed without any delay, please note the points below when completing the payment details on page 3.

- 1-2 The address at 1 should be the contact ad dress in the UK for any correspondence. If it is not your home address (eg a solicitor or other authorised immigration adviser may be submitting the application), give the contact name at 2.
- 3 This should be the full name of the applicant as given in his or her passport, travel document, identity card or immigration status document.

<sup>1</sup> Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application.

- 4 Date of birth for example, 3 January 1980 should be written 03 01 1980 in the spaces provided.
- If you do not select a fee then we cannot take a payment and your application will be rejected as invalid.
- 8-12 Complete only if paying by card.
- 11 The Card Verification Value (CVV) is a 3-digit security code found on the back of the card on the signature strip it consists of the last 3 digits. For Amex the security code consists of 4-digits and is found on the front of the card.

If you do not provide the CVV number, we cannot take the payment and your application will be rejected as invalid.

12 It is the cardholder as named on the credit/ debit card who must sign and date.

#### SECTION 4 - PERSONAL HISTORY

#### REHABILITATION OF OFFENDERS ACT 1974

The Rehabilitation of Offenders Act 1974 enables criminal convictions to become 'spent' or ignored after a 'rehabilitation period'. The length of the rehabilitation period depends on the sentence given. For a custodial (prison) sentence the rehabilitation period is decided by the original sentence, not the time served. Prison sentences of more than two and a half years can never become spent and should always be disclosed. Further information on rehabilitation periods can be found at Nacro's Resettlement Plus Helpline on **020 7840 6464.** 

#### **DEFINITIONS**

For the purposes of answering questions 4.3 to 4.7, the following information provides guidance on actions which may constitute war crimes, crimes against humanity, genocide, or terrorist activities.

This guidance is not exhaustive. The full definitions of war crimes, crimes against humanity and genocide can be found in Schedule 8 of the International Criminal Court Act 2001 at <a href="www.opsi.gov.uk/acts/acts2001/20010017">www.opsi.gov.uk/acts/acts2001/20010017</a> or purchased from The Stationery Office (telephone **0870 600 5522**). It is your responsibility to satisfy yourself that you are familiar with the definitions and can answer the questions accurately on behalf of yourself and any dependants applying with you.

#### War crimes

Grave breaches of the Geneva Conventions committed during an armed conflict. This includes an internal armed conflict and an international armed conflict. The types of acts that <u>may</u> constitute a war crime include wilful killing, torture, extensive destruction of property not justified by military necessity, unlawful deportation, the intentional targeting of civilians and the taking of hostages.

#### Crimes against humanity

Acts committed at any time (not just during armed conflict) as part of a widespread or systematic attack, directed against any civilian population with knowledge of the attack. This would include offences such as murder, torture, rape, severe deprivation of liberty in violation of fundamental rules of international law and enforced disappearance of persons.

#### Genocide

Acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group.

#### Terrorist activities

Any act committed, or the threat of action, designed to influence a government or intimidate the public and made for the purposes of advancing a political, religious or ideological cause and that involves serious violence against a person; that may endanger another person's life; creates a serious risk to the health or safety of the public; involves serious damage to property; is designed to seriously disrupt or interfere with an electronic system.

#### Organisations concerned in terrorism

An organisation is concerned in terrorism if it commits or participates in acts of terrorism; prepares for terrorism; promotes or encourages terrorism (including the unlawful glorification of terrorism); or is otherwise concerned in terrorism.

I hereby apply for a Home Office travel document and if required a biometric residence permit (also known as a biometric immigration document). I confirm that I am present in the United Kingdom. The information I have given in this form is complete and is true to the best of my knowledge.

I confirm that the photographs submitted with this form are a true likeness of myself and that I have read and understood the UK Visas and Immigration photograph guidance.

I confirm that apart from any document(s) mentioned in section 5 of the application form, I do not have any other passport(s), travel document(s) or ID card(s).

I confirm that I have not taken up residence in any other country which would allow me to apply for a travel document from the authorities of that country.

I confirm that if, before this application is decided, there is a material change in my circumstances or new information relevant to this application becomes available I will inform the Home Office.

I understand that all information provided by me to the Home Office will be treated in confidence; that it may be disclosed to other government departments, agencies, local authorities, the police, foreign governments and other bodies for immigration purposes or to enable them to perform their functions; and that, if such bodies provide the Home Office with any information about me which may be relevant for immigration purposes, it may be used in reaching a decision on my application.

I understand that my details may in certain circumstances be passed to fraud prevention agencies to prevent and detect fraud and money laundering. I also understand that such agencies may provide the Home Office with information about me. Further details explaining when information may be passed to or from fraud prevention agencies and how that information may be used can be obtained from the Home Office website.

I understand that documents provided in support of this application will be checked for authenticity; and that false documents will be retained and may result in my application being refused and in my prosecution and subsequent removal from the United Kingdom.

I understand that the Home Office may also use the information provided by me for training purposes. I am aware that it is an offence under the Immigration Act 1971, as amended by the Immigration and Asylum Act 1999 and the Nationality, Immigration and Asylum Act 2002, to make to a person acting in execution of any of those Acts a statement or representation which I know to be false or do not believe to be true, or to seek to obtain leave to remain in the United Kingdom by means which include deception.

I understand that if I am informing the Home Office that I have changed my gender, these details may in certain circumstances be shared with other Home Office colleagues. I consent to this, where necessary and understand that this information will only be shared in limited circumstances relating to identity and security in line with Section 22 of the Gender Recognition Act. I am aware they will otherwise be treated in confidence and that my rights under the Equality Act 2010, Data Protection Act 1998 and Article 8 of the European Convention on Human Rights will be unaffected.
