

#### **Appendix 4: Supporting Transition and Problem Solving – Suggestions for LAC**

**LC Team Managers to attend LAC Service for the last Thursday every month for transfer clinic.**

Purpose would be to share information and to offer an advice/ support around problem solving for young people coming through. This could include agreed themes to present such as types of accommodation, financial support or entitlements, what to look for in a good quality pathway plan.

Purpose to also learn about young people, support allocation of PA and complete joint supervisions

#### **Additional 1:1 support**

Consider 1:1 mentor sessions from LC SW to LAC SW to support completing young person's first pathway plan.
