# **Comments, Compliments and Complaints Policy**

# **Our Approach**

At Foster with Slough - Slough Children First (SCF) IFA we aim to:

- Provide the highest standard of care to the children within our service
- Maintain positive working relationships with children's families and the professionals we work with
- Create a positive working environment for our carers and staff team

We promote a culture where children, carers, families and other professionals are encouraged to express their views and concerns and know they will be actively listened to and that we will work restoratively towards a resolution. Children, families, carers and staff are reminded about their right to complain and are given information on how this can be done and what happens afterwards in their welcome pack.

Comments, compliments, and complaints are an important part of helping us to shape the services developed and delivered by Foster with Slough - SCF and fulfil these aims, so we value this feedback immensely. We are committed to listening and responding professionally to any feedback and where needed taking action to meet the needs of children, carers, families, and other professionals.

#### **Comments**

Sometimes people may wish to give feedback but do not feel it fits into either a complaint or compliment category. We are more than happy to receive this kind of feedback and you can share this in several ways:

- Telephone and speak to a member of staff/manager. You can contact the duty worker and/or duty manager on 01753 690960.
- Write us a letter or email
- Speak to a member of staff/manager directly

In addition to informal feedback, we will formally request feedback at least annually from anyone involved in Foster with Slough - SCF. In addition, we will seek to capture the voice of the child, carers, families, and other professionals at significant times in the child's journey i.e., in advance of a Child's Looked After Review and at the beginning and end of a placement. This feedback will inform the development of our annual service plan. We aim to ensure that everyone's views are considered and to address any issues that have been raised.

# Compliments

It is always nice to hear when we are getting things right as this is the fundamental aim of all we do at Foster with Slough - SCF IFA. We also want to work in partnership with those that use our services to build upon good practice and create an environment where people feel heard and listened to and can see the impact of their voice on service delivery and development. Compliments can be shared in the same way as comments:

- Telephone and speak to a member of staff/manager. You can contact the duty worker and/or duty manager on 01753 690960.
- Write us a letter or email
- Speak to a member of staff/manager directly

# **Complaints**

At Foster with Slough - SCF we aim to offer the highest standard of service, should anyone feel we have not achieved this then we want them to let us know. This enables us to address the issue and where needed make changes to ensure that we can improve our practice.

Complaints can be lodged in several ways:

- Telephone and speak to a member of staff/manager
- Write us a letter at Slough Children First, Observatory House, 25 Windsor Road, Slough, SL1 2EL or email us at one of the email addresses below.
- Come in to the office and speak to a member of staff/manager directly

#### **Informal Complaint**

In the first instance, the Registered Manager or Team Manager will aim to resolve all informal complaints in discussion with the complainant. Where the complainant is not satisfied with the outcome of the informal complaint, they can request that their complaint is progressed to the formal complaint stage below.

#### **Formal Complaint**

Once we have received a formal complaint, the following process will be followed:

#### **Stage One Complaint**

Your complaint will be sent to the Registered Manager or Team Manager of the Independent Fostering Agency. You need to give as much detail as possible as this will help us investigate your complaint.

You should receive an acknowledgement within two working days and a reply within 10 working days.

If you are unhappy with your stage one reply, you can ask for your complaint to be considered at stage two by the Registered Manager or Responsible Individual.

## **Stage Two Complaint**

Your stage two complaint needs to be in writing, stating which aspects of the previous reply you are not happy with and what more you think we should do. Your complaint at Stage Two will be considered by the Registered Manager or Responsible Individual.

This must be received within 20 working days from the date of the stage one reply. You should receive an acknowledgement within two working days and a reply within 10 working days.

# **Stage Three Complaint**

If you are still unhappy with your stage two reply, you can ask the chief executive to review your complaint. You need to explain in writing which aspects of the previous response you are not happy with and what more you think we should do.

Your stage three complaint must be received within 20 working days from the date of the stage two reply.

You should receive an acknowledgement within two working days and the aim is to reply within 20 working days.

If we cannot respond fully within that time, we will contact you, explain why and let you know when you will receive a full response.

Your stage three request should be sent to <a href="mailto:complaints@sloughchildrenfirst.co.uk">complaints@sloughchildrenfirst.co.uk</a> or to:

Foster with Slough - Slough Children First Observatory House 25 Windsor Road Slough Berkshire SL1 2EL

The complaint will be fully logged, including the outcome in the complaints file. Should the complainant not be happy with the response to their complaint they should immediately report this. The investigation will then be reviewed, and the complainant can take their complaint to Ofsted (details provided below).

If the complaint relates to the Registered Manager, then Responsible Individual and the ELT (Executive Leadership Team) will investigate the complaint. We understand that children may find it difficult to make a complaint, especially about those who are caring for them or provide them with support. For this reason, we provide every child and foster carer with a children's guide which has details of who they can contact to make a complaint. At a suitable time, children are encouraged to talk about their complaints with an adult of their choice and/or the manager and can also be offered an Advocate.

In their placements children also have access to a phone which they can use to complain to an outside service such as the placing authority, Ofsted or Child Line. All carers must ensure that the children have the freedom to use the phone to make a call of this nature.

In addition, we ensure that all children have regular and unsupervised contact with someone external to the home e.g. their social worker, relatives (where appropriate), independent visitor. This allows them the space to talk openly with someone if they are unhappy with any aspect of their care.

Children are reminded of how to complain during day-to-day discussions, in children's meetings and details of how they can do this are contained within the Children's Guide which they have a copy of.

# **Whistle Blowing**

As an employee of Foster with Slough - SCF IFA or as an Foster with Slough SCF Foster carer if you believe that the service itself or an individual working or fostering for Foster with Slough- SCF IFA is involved in any wrongdoing such as:

- Committing a criminal offence
- Failing to comply with a legal obligation
- Endangering the health and safety of an individual
- Environmental damage
- Concealing any information relating to the above

You should in the first instance report your concerns to a Manager, Registered Manager or Responsible Individual. The same process as used with complaints will be followed to ensure that the matter is dealt with efficiently and in a sensitive way.

The public interest Disclosure Act 1998 prevents you from suffering a detriment or having your contract/agreement terminated for 'whistle-blowing' and Foster with Slough -SCF fully supports this approach. We will ensure that in dealing with the reported issue you are protected and supported to ensure you feel safe and happy within your role.

Our approach at Foster with Slough -SCF IFA is built on restorative practice to ensure that all carers and staff feel able to discuss their views with managers and to feel confident that they will be protected and supported. However, if you are not happy with the response that you receive or you feel unable to report it to the manager or director then you should raise the matter with the appropriate external body e.g. Ofsted, Police, Environment Agency, Local Authority.
