Child Exploitation & Extra- Familial Risk Library and CE service directory:

The purpose of this document is to house useful information and a service directory of where to seek support. The Child Exploitation service directory lists exploitation related services available within Somerset and how and when to refer. This document also holds resources, policies and guidance for professionals, young people, and parents & carers. The document is not an exhaustive list but is a rolling document and will be updated regularly by a multi- agency subgroup of the Somerset Safeguarding Children Partnership.

<p>BASE – Barnardo’s Against Sexual Exploitation</p>  <p>BASE supports children and young people of all genders who are at high risk of Child Sexual Exploitation (CSE).</p>	<p>The BASE service delivers relationship-based work to children and young people which incorporates a non-time limited, child centred pace of working, which is trauma informed and responsive, strengths based and holistic. The intervention model has three key stages of delivery:</p> <ul style="list-style-type: none"> - Engagement and Assessment - Therapeutic Support - Recovery and Moving On <p>Extensive multi agency working is integral to the intervention model of safeguarding through all stages of support.</p> <p>The service currently provides direct work to children and young people and consultation to professionals.</p> <p>Age: Up until 18 years old.</p> <p>Children and young people, parents/carers and professionals can all refer into the service.</p>	<p>Professionals should call 01179 349726 to talk through referrals prior to completing a referral form. This is to ensure threshold is met. We refer to this an initial enquiry; we take a brief outline of concern, risk and steps that have been taken to safeguard the child so far. We then provide recommendations, which maybe to complete our referral form, or signposting to another service or that threshold/remit is not met.</p> <p>Threshold for direct work with a child/ young person is when there is a live police investigation or court trial OR where there are multiple perpetrators or multiple victims. Threshold for professional consultation is when a child is at high risk of exploitation or being sexually exploited but does not meet the direct work threshold.</p> <p>We always recommend making initial enquiries, even if it does not appear the young person meets threshold so we can provide recommendations around</p>	<p>We also have our Ambitions Initiative which has been created to highlight and focus on the <i>individual</i> young person’s drive, interests, skill set and ambitions to promote skills, confidence and self-belief in ways which have the potential to beneficial them now and when they are 21, 25, 30+ years of age. This is part of the support offered to children and young people already accessing our service.</p>

<p>Barnardo's ROUTES.</p>  <p>The ROUTES service is focused on tackling Serious Youth Violence (SYV) and Child Criminal Exploitation (CCE) across the county of Somerset and is delivered with the hope of "Providing young people with an alternative pathway.</p> <p>This service has a clear remit of supporting young people where there are known risk/concerns of Serious Youth Violence and Child Criminal Exploitation specifically through County Lines.</p>	<p>The ROUTES service delivers relationship-based work to children and young people which incorporates a non-time limited, child centred pace of working, which is trauma informed and responsive, strengths based and holistic.</p> <p>The intervention model has three key stages of delivery:</p> <ul style="list-style-type: none"> - Engagement and Assessment - Therapeutic Support - Recovery and Moving On <p>Extensive multi agency working is integral to the intervention model of safeguarding through all stages of support.</p> <p>The service currently provides direct work to children and young people.</p> <p>Up until the age of 25</p> <p>Children and young people, parents/carers and professionals can all refer into the service.</p>	<p>engagement techniques, resources for work, safeguarding and disruption of perpetrators.</p> <p>Professionals should call ROUTES on 01179 349726 to discuss referrals prior to completing a referral form to ensure threshold is met and to reduce the likelihood of professionals completing referrals that are then not needed. Somerset Phoenix

Somerset Phoenix is a small service provided by Barnardo's and Somerset & Avon Rape and Sexual Abuse Support (SARSAS). Providing support, training, consultation, and signposting to professionals supporting children, young people and families affected by child sexual abuse (CSA). We are a small team covering the whole of Somerset.

Training & Events

Our purpose is to upskill frontline professionals who already have a relationship with children and young people affected by child sexual abuse (CSA). So, they can improve the effectiveness of their support.

Consultation Services

A central part of the Phoenix offer is our consultation service for professionals seeking support to devise an effective action plan for young people impacted by CSA. Our team can offer a specialist consultation tailored to the specific case this can be:

- a multi-professional meeting relating to the child/family and involving key professionals providing support an individual consultation with a lead professional
- a smaller systemic meeting of key professionals and parents/carers.

To request a consultation, please submit a request for support form.

We are not a referral service or a crisis service. If you need crisis intervention, refer to the useful links page.

Guidance
