

## **Staffordshire Residential Services**

### **Role of the Registered Manager**

The role of the residential manager is to ensure has oversight and accountability for the home, staff and children placed in the provision. The management of the provision is the responsibility of the Registered Manager who is required to ensure that the performance of the home is reviewed in line with the Children's Home Regulations 2015.

It is the responsibility of the Registered Manager or their representative to ensure that all significant events defined under the Regulations are notified to OFSTED. Copies of all notifications are kept by the Registered Manager. The Registered Manager is empowered to call a meeting of all of those involved in an individual Child's Service Plan should significant events occur defined under Regulation 40.

The financial responsibility for the home lies with Staffordshire County Council which has allocated specific budgets for the running of the home.
