Solution Circles

Joint screening/
MASH discussions

HM Prison &
Probation Service

Probation Service/YJS MASH Representative

Daily PPU Domestic Abuse Agenda is circulated via email and will be received by 6.30am each morning

The names of victims and suspects that feature on the Agenda will be checked against Probation Service database 'NDelius' and Youth Justice Service database 'Childview'.

PREVIOUSLY KNOWN

Make notes of any previous risk assessments, flags and history of offending

CURRENT

Make notes of risk assessment, flags, current and previous offences

NO MATCHES

Attend Domestic Abuse Triage

Update Offender Manager (PS/CRC) via an alert on database 'NDelius'. In high risk incidents of domestic abuse there will be verbal and email communication directly with the Offender Manager. YJS will also be updated.

Request for information under AMBER/RED Rag from a MASH Social Worker – via email, outlining the synopsis of the reason for contact, who has consented and RAG.

The names of all persons of concern are checked against NDelius and YJS database.

AMBER

Record information on Social Care database including summary and analysis. If there is anything of a concern, to make direct contact with the Social Worker to discuss.

Update database systems.

RED

Record information on Social Care and/or YJS Database.

Invite the Offender Manager to the Strategy Meeting if either parent/significant other is current.

Attend Strategy Meetings where information recorded on 'NDelius' and 'Childview' is shared with all partner agencies. Contribute to application of threshold and safety plan of child.
